

Spring Break!

NO TOYS, ELECTRONICS OR CELL PHONES

The following is the schedule of Field Trips that we will take during the School's Out Day Camp program over Spring Break!

In order for the field trips to take place, a minimum of 30 campers need to be registered for that day. If any particular field trip day does not have 30 campers registered the field trip will be cancelled for that day. Parents will be notified the day before the scheduled field trip, if the field trip has been cancelled.

Schedule can change without notice due to unforeseen circumstances.
